

SPLASH

STOPPING PLASTICS AND
LITTER ALONG SHORELINES

Terms and Conditions for Participation in the One Less Plastic July Coffee Cup Challenge

1. Customers must follow specific policies set by participating stores, SPLASH, and any affiliates, including those related to hygiene and health regulations. These policies may include temporary restrictions due to public health concerns (e.g., COVID-19).
2. Customers must ensure their reusable coffee cups are clean and free from residue before use. Participating stores reserve the right to refuse service if the cup is deemed unsanitary.
3. Customers should bring reusable cups that correspond to the standard sizes offered (e.g., small, medium, large). Participating stores, SPLASH, and any affiliates are not responsible for overflows or spills due to incompatible cup sizes.
4. Reusable cups must be suitable for the type of beverage ordered, particularly regarding temperature resistance. Participating stores, SPLASH, and any affiliates are not liable for damage to reusable cups due to unsuitable material.
5. Customers are required to remove the lid from their reusable cup before handing it to the barista. Participating stores, SPLASH, and any affiliates are not responsible for any spillage or contamination resulting from improper handling of the lid.
6. Participating stores, SPLASH, and any affiliates are not liable for any personal injury or damage resulting from the use of reusable cups brought by customers. By using a reusable cup, customers accept all risks associated with its integrity and hygiene.
7. We reserve the right to update these terms and conditions at any time.

By using a reusable coffee cup, customers agree to the full terms and conditions and commit to supporting sustainable practices while respecting the store's operational guidelines.
